GREEN GUARDIA

SPIDER REPELLENT SPRAY

WORKS INSTANTLY & EFFECTIVELY

100 % NATURAL WITHOUT CHEMICALS

The **GREEN GUARDIA Spider Repellent Spray Power** with the natural plant ingredient geraniol protects your home reliably from spiders. It works immediately, keeps spiders away effectively and creates a pleasant, fresh environment – completely without harsh chemicals.

WITH GERANIOL
A plant-based ingredient for effective repellent action.

INDOOR & OUTDOOR USE
Versatile use throughout your home.

FAST & RELIABLE
Works directly against spiders and keeps them away.

PLEASANT SCENT
Provides a fresh and pleasant room atmosphere.

SPIDER INFESTATION – UNWANTED GUESTS IN YOUR HOME

Spiders are useful animals, but in living spaces and around the home they are often perceived as unpleasant. They prefer quiet, dark and undisturbed places and can multiply quickly. With the GREEN GUARDIA Spider Repellent Spray Power you can repel spiders effectively and help prevent an infestation.

TYPICAL HIDING PLACES FOR SPIDERS:
- Corners and ceilings
- Behind furniture and cabinets
- Basements, garages and storage rooms
- Window frames and door areas
- Cracks, gaps and joints
- Behind curtains and pictures
- Beams and attic floors

SIGNS OF AN INFESTATION:
- Frequent sightings of spiders
- Spider webs in corners and rooms
- Small egg sacs in hiding places
- Webs in the basement, attic or garage
- Noticeable increase in the population

NATURAL PROTECTION FOR YOUR HOME

The plant-based formula with geraniol keeps spiders away effectively and naturally. Ideal for households with children and pets.

COMPOSITION:

Water, alcohol, neem oil, citronella oil, geraniol, auxiliary substances (emulsifiers, preservatives)

BPR REGISTRATION NUMBER:

N-121075

Product type: PT 19 – Repellents

USE BIOCIDAL PRODUCTS WITH CAUTION. ALWAYS READ THE LABEL AND PRODUCT INFORMATION BEFORE USE.

HOW IT WORKS:

Geraniol – a plant-based ingredient – interferes with the orientation of spiders and keeps them away effectively. Your home is thus naturally protected.

FAST. EFFECTIVE. RELIABLE.
With geraniol – strong against spiders, gentle on your home.

APPLICATION & PROTECTION

SPIDER REPELLENT SPRAY

AS EASY AS THAT – IN 4 STEPS FOR THE BEST PROTECTION

1 PREPARE

Clean surfaces and areas from spider webs, dust and heavy dirt.
Avoid direct water before application.

2 SHAKE

Shake the bottle well before use to distribute the natural active ingredients optimally.

3 SPRAY

Spray from a distance of approx. 20–30 cm onto walkways, corners, spider webs and hidden areas.

4 LET IT WORK

For long-lasting protection, apply regularly – especially in case of heavy infestation or reoccurrence.

TYPICAL APPLICATION AREAS FOR THE SPRAY

CORNERS & EDGES
Wall and ceiling corners, baseboards, window sills

WINDOWS & WINDOW SILLS
Frames, window sills and roller shutter boxes

DOORS & DOOR FRAMES
Door frames, hinges and transitions

FURNITURE & BACK SIDES
Behind furniture, shelves, cabinets and sideboards

BASEMENTS & STORAGE ROOMS
Storage rooms, basement corners and utility areas

GARAGES & OUTDOOR AREAS
Garage doors, garden sheds, foliage and exterior walls

TIPS & RECOMMENDATIONS FOR THE BEST PROTECTION

APPLY REGULARLY
For long-lasting protection, apply every 7–14 days – more often if heavily infested.

REDUCE HIDING PLACES
Spiders prefer quiet, dark corners. Keep your home clean and reduce unnecessary clutter.

REMOVE SPIDER WEBS
Regularly remove existing spider webs and spray the affected areas.

MAKE ENTRY POINTS HARDER
Keep windows and doors closed, check seals and seal any gaps and cracks.

PREVENTIVE USE
Use preventively, especially in spring and autumn, when spiders are more active.

PET-FRIENDLY
Safe for household pets when used as directed. Avoid contact with eyes and mucous membranes.

FOR A SPIDER-FREE HOME – INDOORS & OUTDOORS

Natural protection with geraniol – effective against spiders, gentle on your home.

FAQ – FREQUENTLY ASKED QUESTIONS

SPIDER REPELLENT SPRAY

Here you will find answers to the most important questions about our **Spider Repellent Spray**.

HOW DOES THE SPIDER REPELLENT SPRAY WORK?

The plant-based ingredients, especially geraniol, disrupt the orientation behavior of spiders. They avoid the treated areas and look for another location.

WHICH AREAS IS THE SPRAY SUITABLE FOR?

Ideal for indoor and outdoor use: living rooms, kitchens, window frames, doors, basements, garages, garden sheds, balconies, patios and much more.

HOW QUICKLY DOES THE SPRAY WORK?

The effect starts shortly after application. Spiders avoid the treated surfaces and usually retreat within a short time.

HOW LONG DOES THE EFFECT LAST?

Depending on the surface and environmental conditions, the protection lasts for several days to up to 2 weeks. In case of heavy infestation, a regular reapplication is recommended.

IS THE SPRAY SAFE FOR PEOPLE AND PETS?

Yes, the spray is safe when used as directed. Avoid contact with eyes and mucous membranes. Keep out of reach of children and pets.

HOW OFTEN SHOULD I USE THE SPRAY?

For prevention, we recommend use every 5–7 days. In case of an acute infestation, daily use is possible for 2–3 days.

DOES THE SPRAY LEAVE STAINS OR RESIDUE?

When used properly, the spray does not leave any stains or residue. However, please test on a small, inconspicuous area first if you are treating sensitive surfaces.

WHAT DOES THE SPRAY SMELL LIKE?

The spray has a pleasant, fresh scent thanks to natural geraniol and citronella oil, which dissipates after a short time.

CAN I SPRAY DIRECTLY ON SPIDERS?

Yes, the spray can be applied directly to spiders. It repels them effectively and helps to drive them away.

CAN THE SPRAY BE USED CONTINUOUSLY?

Yes, the spray can be used continuously for prevention and control. The natural formula is designed for regular use.

DO I NEED TO CLEAN BEFORE USE?

For best results, we recommend removing coarse dirt, spider webs and dust before application.

CAN I COMBINE THE SPRAY WITH OTHER PRODUCTS?

The spray can be combined with other cleaning products. Do not mix it with other insecticides.

OUR TIPS FOR A SPIDER-FREE HOME

- Keep your home clean and tidy – spiders prefer quiet, undisturbed corners.
- Regularly remove spider webs and dust, especially in hard-to-reach areas.
- Use the spray preventively at potential entry points such as windows, doors and cracks.
- Reduce insects in your home, as they are the main food source for spiders.
- Seal cracks and gaps to make it harder for spiders to enter.

NATURAL PROTECTION. GENTLE ON YOUR HOME.

With geraniol – effective against spiders, with a pleasant fresh scent.

GREEN GUARDIA

SERVICE & SAFETY INFORMATION

SAFETY INFORMATION:

- **Shake well before use:** Since the spray contains natural oils, the ingredients may separate. Use the product only after shaking well.
- **Do not use in direct sunlight:** Ideally, apply in the early morning or late evening to prevent surface discoloration or damage to plants.
- **Test on a sensitive surface before use:** First, try the product on a small, conspicuous area and wait 24 hours.
- **Keep out of reach of children and pets:** Although the product is of plant origin, avoid contact with eyes or mouth.
- **Store in a cool, dry place, protected from light:** Ideal storage temperature: 10–20 °C (50–68 °F). Protect from frost and direct sunlight.
- **Do not release into the aquatic environment:** The product must not be poured into lakes, ponds, aquariums or drainage systems.
- **Use of protective gloves is recommended:** Wear gloves when spraying and, if necessary, safety glasses – especially with frequent use or on large surfaces.
